

SALISBURY FC

are pleased to announce that we are launching
our very own Community Monthly Lottery

JOIN NOW FOR YOUR CHANCE TO WIN BIG !

SO LET'S EXPLAIN HOW IT WORKS

The **Whites Windfall** is our community lottery. For just **£10** a month, you have the chance to win cash prizes from a monthly fund as well as a big rollover sum twice a year. You will also be helping your local football club.

It works like this...

- The first prize each month is 25% of the available prize fund.
- The second prize each month is 15% of the available prize fund.
- The third prize each month is 10% of the available prize fund.

The remainder of the available prize fund is put towards the Whites Windfall Superdraws in December and June – with a tidy lump sum available to help with Christmas and holidays.

For example...

If we have 100 members – which is our initial membership target – each paying £10 a month, the prize money totals **£500** and the club receives £500. Half of the prize fund is then distributed on a monthly basis between three winners - **£125, £75 and £50**.

The remaining sum of £250 is put into the two Whites Windfall Superdraws, each of which would then have a prize of **£1500**. If member numbers are more or less, prizes are in proportion.

So if there are, say, 200 members, the monthly prizes would be **£250, £150 and £100** – with the big six-monthly sum reaching a whopping **£3,000** for one lucky winner. And this is open to anyone – not just supporters of Salisbury FC.

Even Bigger Prizes!

Draws will take place at half time during the last home game of each month with the big Whites Windfall draws being made at the last home game before Christmas and then in the closed season.

In order to be entered into the Whites Windfall draws, you must have been a member for each of the previous six monthly draws (or three months in the first instance).

Anyone who joins, however, will be eligible for that month's particular draw.

Draws will continue to be made during the closed season and winners will be notified each month. A list of winning numbers will be found online and in the matchday programme.

(Please note, since the lottery will this year begin from October 1st, there will be 3 months of funds involved rather than 6, so the above figures will be halves for the first draw).
